

# Destiny College

School of Christian Ministries and Leadership

Passion • Prayer • Power • Pursuit

# Preparing

Each year, many young people jump into college and/or careers before God's plan for their lives is fully discerned. Covenant Love Family Church presents Destiny College School of Christian Ministries and Leadership, which is dedicated to training and raising up a new generation of world changers and leaders equipped to challenge the secular society and to give defense of Christianity when attacked. Destiny College School of Christian Ministries and Leadership will prepare students for ministry in order to relate effectively in their particular sphere of influence.

# Training

High school graduates as well as older and mature Christian men and women with a passion for the Gospel of Jesus Christ, church ministry and a hunger to increase their Biblical knowledge, are invited to an opportunity to discover God's calling and be transformed into generational leaders.

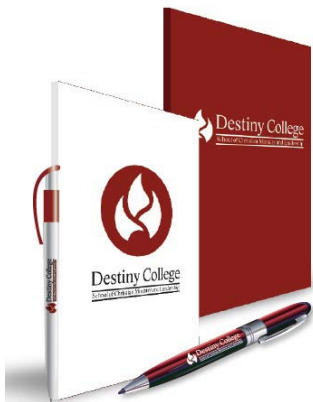

Destiny College School of Christian Ministries and Leadership provides students with the Biblical education and leadership principles necessary to defend their faith in Christianity wherever they may be placed in the world. The student will have the unique opportunity of participating in practical Christian experiences, which will proclaim and embody the message of God's redeeming and healing love.

# Equipping

A Destiny College School of Christian Ministries and Leadership student will be educated, equipped, and empowered to:

Defend their Christian faith anywhere in the secular world  
Learn from a dynamic and innovative church ministry staff  
Receive transferable discipleship training  
Develop your ministry skills through Ministry Tracks  
Effectively lead Bible studies and small groups

In addition, the Generational Internship Program, our new and exciting phase of our vision, will not only provide Bible-based instruction and leadership skills, but an opportunity to be mentored by Pastors and ministry leaders who together have decades of ministry experience.

# Reaching

We are answering the call to instill power, knowledge, and confidence in everyone, especially young people, passionate to lead this generation for God.

Are you ready to answer the call and allow the power of the Holy Spirit to help you transform your world for the glory of God? Your world needs you now more than ever before.

# Planning

This two-year, Associate Degree program, breaks down as follows:

**First Year:** Fall, Spring, Summer I & II (36 Credits)

**Second Year:** Fall, Spring, Summer I & II (36 Credits)

With academics, an intensive Internship, and student teaching, third year students would graduate with a Bachelor Degree in Church Ministries and Leadership (50 credits).

**First year, first semester:**

September 14, 2009 – December 10, 2009

**First year, second semester:**

January 11, 2010 – May 6, 2010

Take some time and ask God if CLFC SCM is for you, especially in these times. We join you in prayer as you consider the opportunity at hand. For additional information on admission, course schedules, and fees, visit our Involvement Center or call the Destiny College office at 910.323.1515 ext. 213

# Commit

If you are interested in registering for courses at Destiny College, please feel out the information below, detach, and return this portion of the brochure to the Involvement Center during service times or to the church during normal business hours.
